Article 2.1 : Scope

Section A : National Treatment

Article 2.2 : National Treatment on Internal Taxation and Regulation

Each Party shall accord national treatment to the goods of the other Party in accordance with Article III of GATT 1994, including its interpretative notes. To this end, Article III of GATT 1994 and its interpretative notes are incorporated into and made part of this Agreement, *mutatis mutandis*.

Section B : Reduction or Elimination of Customs Duties

Article 2.3 : Reduction or Elimination of Customs Duties

1. Except as otherwise provided for in this Agreement, each Party shall progressively reduce or eliminate its customs duties on originating goods in accordance with its Schedule to Annex 2-A.
2. Upon request of a Party, the Parties will consult to consider accelerating the reduction or elimination of customs duties set out in their Schedules to Annex 2-A. An agreement by the Parties to accelerate the reduction or elimination of a customs duty on a good shall supersede any duty rate or staging category determined pursuant to their Schedules to Annex 2-A for that good when approved by each Party in accordance with its applicable legal procedures.
3. A Party may unilaterally accelerate the reduction or elimination of customs duties set out in its Schedule to Annex 2-A at any time if it wishes to amend the Schedule to Annex 2-A. That Party shall promptly notify the other Party through a diplomatic note after completion of the internal procedures required for the amendments to enter into force. Such amendments shall enter into force on the date specified in the diplomatic note, or in any event, within 90 days of such notification. Any concession granted by the Party according to the unilateral acceleration set out therein shall not be withdrawn.
4. If at any moment a Party reduces its applied most-favored-nation (hereinafter referred to as “MFN”) customs duty rate after the date of entry into force of this Agreement, that duty rate shall apply as regards trade covered by this Agreement if and for as long as it is lower than the customs duty rate calculated in accordance with its Schedule to Annex 2-A.

Article 2.4 : Standstill

Except as otherwise provided for in this Agreement, neither Party may increase any existing customs duty as specified in that Party's Schedule to Annex 2-A, or adopt any new customs duty, on an originating good of the other Party. This shall not preclude that a Party may:

- (a) raise a customs duty on an originating good of the other Party that was unilaterally reduced other than as provided for in paragraph 2 or 3 of Article 2.3 to the lower of the levels established either in its Schedule to Annex 2-A or pursuant to paragraph 2 or 3 of Article 2.3; or

- (f) be admitted in no greater quantity than is reasonable for its intended use; and
- (g) be otherwise admissible into the Party's territory under its domestic laws and regulations.

4. If any condition that a Party imposes under paragraph 3 has not been fulfilled, the Party may apply the customs duty and any other charge that would normally be owed on the good plus any other charges or penalties provided for under its domestic laws and regulations.

5. Each Party shall endeavor to adopt and maintain procedures providing for the expeditious release of goods admitted under this Article. To the extent possible, such procedures shall provide that when such a good accompanies a national or resident of the other Party who is seeking temporary entry, the good shall be released simultaneously with the entry of that national or resident.

6. Each Party shall permit a good temporarily admitted under this Article to be exported through a customs port other than that through which it was admitted.

7. In accordance with its domestic laws and regulations, each Party shall provide that the importer or other person responsible for a good admitted under this Article shall not be liable for failure to export the good on presentation of satisfactory proof to the importing Party that the good has been destroyed within the original period fixed for temporary admission or any lawful extension.

- (d) neither Party may require that the carrier bringing a container from the territory of the other Party into its territory be the same carrier that takes the container to the territory of the other Party.

Article 2.6 : Goods Re-Entered after Repair or Alteration

1. In accordance with its domestic laws and regulations, neither Party may apply a customs duty to a good, regardless of its origin, that re-enters its territory after that good has been temporarily exported from its territory to the territory of the other Party for repair or alteration, regardless of whether the repair or alteration:

- (a) could be performed in the territory of the Party from which the good was exported for repair or alteration; or
- (b) has increased the value of the good.

2. In accordance with its domestic laws and regulations, neither Party may apply a customs duty to a good, regardless of its origin, admitted temporarily from the territory of the other Party for repair or alteration.

1. Except as otherwise provided for in this Agreement, neither Party may adopt or maintain any prohibition or restriction on the importation of any good of the other Party or on the exportation of any good destined for the territory of the other Party, except in accordance with its WTO rights and obligations. To this end, Article XI of GATT 1994 and its interpretative notes are incorporated into and made part of this Agreement, *mutatis mutandis*.

2. The Parties understand that GATT 1994 rights and obligations incorporated by paragraph 1 prohibit, in any circumstances in which any other form of restriction is prohibited, a Party from adopting or maintaining:

- (a) export and import price requirements, except as permitted in the enforcement of countervailing and antidumping duty orders and undertakings;
- (b) import licensing conditioned on the fulfillment of a performance requirement; or
- (c) voluntary export restraints inconsistent with Article VI of GATT 1994, as implemented under Article 18 of the SCM Agreement and Article 8.1 of the Anti-Dumping Agreement.

3. In the event that a Party, in accordance with its WTO rights and obligations, adopts or maintains a prohibition or restriction on the importation from or exportation to a non-Party of a good, no provision of this Agreement shall be construed to prevent that Party from:

- (a) limiting or prohibiting the importation of the good of the non-Party from the territory of the other Party; or
- (b) requiring as a condition for exporting the good of that Party to the territory of the other Party, that the good not be re-exported to the non-Party, directly or indirectly, without being consumed in the territory of the other Party.

4. In the event that a Party, in accordance with its WTO rights and obligations, adopts or maintains a prohibition or restriction on the importation of a good from a non-Party, the Parties, upon request of either Party, shall consult with a view to avoiding undue interference with or distortion of pricing, marketing, or distribution arrangements in the territory of the other Party.

5. Neither Party may, as a condition for engaging in importation or for the importation of a good, require a person of the other Party to establish or maintain a contractual or other relationship with a distributor in its territory.

6. For greater certainty, paragraph 5 does not prevent a Party from requiring a person referred to in that paragraph to designate an agent for the purposes of facilitating communications between its regulatory authorities and that person.

2. A Party shall ensure that the administration measures and implementation of its TRQs are consistent, transparent and are not adopted or maintained to create discrimination against the other Party. Accordingly, a Party shall ensure all fees and charges in connection with importation through the TRQ system are commensurate with the cost of services rendered.

Section E : General and Institutional Provisions

Article 2.13 : Measures to Safeguard the Balance of Payments

Where a Party is in serious balance of payments and external financial difficulties or threat thereof, it may, in accordance with GATT 1994, which includes the Understanding on Balance-of-Payments Provisions of GATT 1994, adopt restrictive import measures.
